

Dear Yogis,

First and foremost, **thank you** for your encouragement, support, and enthusiasm. You are the reason we're moving forward. This community is truly something special, and our greatest hope is to preserve and nurture the welcoming spirit that has made it feel like home to so many.

We also want to thank everyone who has shared photos and memories for Kathryn's keepsake memory book. Your stories and snapshots are a beautiful reminder of the friendships, laughter, and shared moments that have shaped this community over the years. We can't wait to present it to Kathryn at her celebration on **August 15**. Watch for your invitation coming soon!

Now, keep reading below for the latest renovation updates and a peek at what's happening behind the scenes. We're excited to share this journey with you!

With gratitude,

Heather & Jessie

Located at **260 Avenue A SW in downtown Winter Haven, Studio Two Sixty** is being thoughtfully renovated as a flexible, multi-purpose space designed to serve both as the home of **Yoga at Studio 260** and as an elegant private event venue.

During the day, the studio will primarily host regularly scheduled yoga classes, workshops, and wellness offerings. Weddings, corporate gatherings, celebrations, and other private events will take place mainly on weekends and select evenings, allowing both uses of the space to operate harmoniously without overlap.

This intentional approach allows Studio Two Sixty to serve our community in two meaningful ways: as a welcoming destination for

wellness and connection, and as a beautiful venue for life's special gatherings. By thoughtfully sharing the space, we are creating a model that supports long-term sustainability while ensuring an exceptional experience for both yoga members and event guests.

We'll be sharing renovation photos and progress updates here.

Please keep an eye on your inbox for announcements about **free community events, pop-up classes, and renovation progress reports**. We are excited to keep you informed as the studio takes shape, and we are committed to growing together as a community every step of the way.

Thank you for being part of this next chapter.
